1. RATIONALE

Ozford College (hereafter referred to as the College) is a culturally safe environment and equal opportunity environment for all staff and students. The College has zero tolerance to child abuse and is committed to the protection and wellbeing of all children in its school environments.

Schools are expected to establish culturally safe environments in which the diverse and unique identities and experiences of culturally diverse and Aboriginal children, young people and students are respected and valued.

2. SCOPE

This policy and procedure applies to all staff and students:

- full time, part time, casual, permanent or temporary;
- contract or commission workers;
- volunteers, vocational and work experience placements.

The scope encompasses affiliates, contractors and consultants, appointed or engaged by the College, to perform functions and/or recognised for their contribution to the College.

It applies to staff while in the workplace or off site, at work-related functions (including social functions and celebrations), while on trips and attending conferences.

3. POLICY

3.1 The College has established strategies for supporting diversity that include:

- equipping school staff, students, volunteers and the school community to acknowledge and appreciate the strengths of Aboriginal and Torres Strait

Islander culture and understand its importance to the wellbeing and safety of Aboriginal and Torres Strait Islander children and students.

- ensuring racism is identified, confronted and not tolerated, and any instances of racism within the school environment are addressed with appropriate consequences.
 - actively supporting and facilitating participation and inclusion by Aboriginal and Torres Strait Islander children and students and their families.
- 3.2 All of the College policies, procedures, systems and processes, taken together, create a culturally safe and inclusive environment to meet the needs of Aboriginal and Torres Strait Islander, culturally diverse and vulnerable students and their families.
- 3.3 **Gender equity** is a set of actions, attitudes, and assumptions that provide opportunities and create expectations about individuals. Gender is never separate from race, ethnicity, language, disability, income, or other diversities that define us as human beings. It offers a framework for education in which all students:
- can be engaged, reflective learners, regardless of the subject;
 - can be educated in a safe and supportive environment enabling each student to achieve their potential;
 - are prepared for future education, jobs, careers, and civic participation;
 - set and meet high expectations for themselves and others;
 - develop as respectful, inclusive, and productive individuals, friends, family members, workers, and citizens;
 - receive equitable treatment and achieve equitable outcomes in school.
- 3.4 All students and staff deserve, and have a right, to be provided with equal opportunities to succeed in all aspects of education or employment. Gender is not a determinant of a student's capacity to learn, or an employee's capacity to work, but often influences opportunities. It is unlawful to discriminate against a person on the basis of gender.
- 3.5 As required by Ministerial Order 1359 Managing the Risk of Child Abuse in Schools and School Boarding Premises, this policy is reviewed after any significant child safety incident, or at least every two years, and improved where applicable.
