1. PRINCIPLES

The Ozford Institute of Higher Education (hereafter referred to as ‘the Institute’) Admissions Policy and the associated Procedure ensure the Institute has open, fair and transparent policies and procedures for making decisions about the admission and selection of students. The Institute admits students from a wide range of backgrounds, from Australia and overseas, who meet the entry requirements included in this policy.

The Institute is committed to having a robust application assessment process with appropriate admissions criteria.

The Institute will admit students who have been assessed as having a high probability of successfully completing the course for which they have applied. Admissions assessments are made following the standards and requirements set by the Academic Board (AB). Assessments are also consistent with the standards in the *Education Services for Overseas Students Act 2000* (ESOS Act), the *Higher Education Support Act 2003*, the Australian Qualifications Framework (AQF) and Tertiary Education Quality and Standards Agency (TEQSA) *Higher Education Standards Framework (Threshold Standards) 2021*.

The Institute welcomes applications for admission from prospective students of all backgrounds, including Aboriginal and Torres Strait Islander peoples, and is dedicated to providing equal educational opportunities to all students regardless of race, disability, gender or socio-economic or educational disadvantage. A range of student and transition support services are available at the Institute to assist all students to strive for educational and personal success.

All admissions decisions are made based on merit, taking into account the personal circumstances, academic history and language and vocational skills of the applicant, in accordance with the admissions criteria approved by the Academic Board and contained in this policy.

2. SCOPE

This policy applies to applications for admission to all undergraduate and postgraduate courses offered by the Institute and applies to all staff involved in making admission decisions.

3. DEFINITIONS

Confirmation of Enrolment (CoE)

The Confirmation of Enrolment (also called a CoE) is an official statement from the Institute via PRISMS that lists the student's details, course and the start and end dates of the course.

The Confirmation of Enrolment (COE) is an official document issued to international students by universities and other education providers in Australia. It confirms that the student has accepted a place in a course and has paid required tuition fees and Overseas Student Health Cover (OSHC). The COE is required by the Department of Home Affairs for the purpose of issuing a student visa.

Domestic Students

Domestic students are those students, or applicants to become students, who are Australian or New Zealand citizens or permanent residents who have the right to study in Australia without the requirement to hold a student visa. Asylum seekers on Bridging Visa A or E, a Temporary Protection Visa or a Safe Haven Enterprise Visa may have the right to study in Australia as domestic students.

Genuine Temporary Entrants

Means a prospective student who satisfies the genuine temporary entrant criterion for Student visa or Student Guardian visa applications, ie. a genuine temporary entrant and intend to return home after studying in Australia.

Ministerial Direction 69 states an applicant who is a genuine temporary entrant will have circumstances that support a genuine intention to temporarily enter and remain in Australia, notwithstanding the potential for this intention to change over time to an intention to utilise lawful means to remain in Australia for an extended period of time or permanently. (<https://immi.homeaffairs.gov.au/Visa-subsite/files/direction-no-69.pdf>)

Genuine Students

Means a prospective student who have a genuine intention to study in Australia, engage with learning and ability to meet the requirements of their visa.

To establish this, the genuine student test includes questions about the applicant's purpose of study, English language proficiency, academic background, links to Australia and financial capacity to support themselves during their studies.

International Students

International students are those students, or applicants to become students, who have been issued with a valid and current student visa for the purposes of studying in Australia.

Provider Registration and International Student Management System (PRISMS)

Means the Provider Registration and International Students Management System (the electronic system that holds CRICOS and the electronic confirmation of enrolment).

Prospective student

Means a person (whether within or outside Australia) who intends to become, or who has taken any kind of steps towards becoming a Student at the Institute.
