# Welcome to **Oxford College**

Here at Oxford we believe knowledge is power. We are a member of the Independent Schools of Victoria and our High School program starts at Year 10 and leads to the Victorian Certificate of Education (VCE). We are an innovative school offering our students the best possible opportunities to maximise their potential and excel academically. Success is our goal and a student's success is Oxford's success.

We are committed to providing quality educational programs for students to achieve their educational and personal goals and embrace lifelong learning.

Oxford fosters a personalised environment

where students can develop skills and values to enable them to participate effectively in their chosen career field and the wider community.

Our teachers are experienced, passionate and dedicated to providing a student- focused approach to ensure a supportive, individualised and enjoyable learning experience. Oxford is committed to the achievement of excellence in education.

Oxford College supports and promotes the Principles and Practice of Australian Democracy, and these concepts underpin the design of our Curriculum and our college policies.

# Victorian Certificate of Education

CRICOS Code: 045402K

The Victorian Certificate of Education (VCE) is the certificate that the majority of students in Victoria receive on satisfactory completion of their secondary education. The VCE provides diverse pathways to further study or training at university or TAFE and to employment. For more information, please visit [vcaa.vic.edu.au](http://vcaa.vic.edu.au).

## Year 11

VCE Study Unit 1 and 2

Year 11 is the first year of the VCE program students normally take 12 units in a full year (6 units in each semester). At the start of each semester, students must select 6 subjects of study including the compulsory subject, English or English as an Additional Language (EAL). Subjects are delivered in a sequence of Units 1 and 2, resulting in a total of 12 units for 6 subjects. To enter Year 12 (VCE), students must complete minimum 6 units in Year 11 including EAL. Students who are of high achievers may have the approval of the High School Head to study one additional VCE Unit 3/4 subject in Year 11. This is provided that the student commences Year 11 in

## Year 12

### VCE Study Unit 3 and 4

Year 12 is the second year of the VCE program. A normal student workload in Year 12 is 5 subjects, consisting of Units 3 and 4 in each subject, resulting in the total delivery of 10 units. English or English as an Additional Language (EAL) is a compulsory subject. Students generally continue the same subjects in Year 12 at Units 3 and 4. High achievers can even apply to participate in enhancement and extension programs offered by some universities in Melbourne. These programs provide students with the opportunity to study a first-year equivalent university subject, in addition to their normal VCE study workload. Some credit towards a university degree is given if the subject is completed to a satisfactory standard. Additional costs may be incurred for entry into these programs.
